Bullying in the Cafeteria and Playground: What to do about it!

AT THIS WORKSHOP YOU WILL LEARN TO:

- Identify the **critical approaches and components** required for building caring communities.
- Identify **where your school stands** in regards to these components: What is in place? What is working? What is not working? What is missing?
- Deal with behavior and bullying on the playground and cafeteria **in a manner that supports building a caring school community** where acceptance of individual differences, respect, non-violence and collaboration are present and valued so that **all children may achieve** their highest potential

Benefits of Attending

- **Provide Meaningful Professional Development:** If playground and cafeteria staff are to be effective in their roles, quality professional development activities must be provided . . . Learn strategies that fully support your goal of a caring school community.
- Through **interactive presentation of a concrete behavior management and bullying prevention strategies**, you will learn skills to achieve more consistent playground and cafeteria management.
- Susan presents a practical effective strategies for building caring, safe communities in our schools. She addresses the issues of **bullying, character education, conflict resolution, teambuilding, and diversity** with respect for the diverse personalities amongst school staff. .
- Workshop methods include **quality visuals, small group work and discussion, interactive** presentation, and hand-outs to achieve the goals of the program session.
